

IN THE DISTRICT COURT OF JOHNSON COUNTY, KANSAS
CIVIL COURT DEPARTMENT

In the Matter of
KIMBRA (PHILLIPS) MARTIN
and
DANIEL PHILLIPS.

Case No. 07CV3318
Court No. 9
K.S.A. Chapter 23 and 60

ORDER GRANTING ATTORNEY FEES

On January 13, 2009, the parties appeared before the Court on Respondent's Motion for Reconsideration or New Trial Pursuant to K.S.A. 60-259. The Court denied Respondent's Motion and took Petitioner's request for attorney fees and costs under advisement. The Court further amended Petitioner's Affidavit in Support of Fees, Costs and Expenses filed January 13, 2009 to allow an additional two hours in attorney fees for the preparation and filing of the Journal Entry Denying Respondent's Motion for Reconsideration or New Trial bringing Petitioner's total request for attorney fees, costs and expenses to \$3,641.35.

Respondent was granted ten court days to respond to Petitioner's Affidavit. The ten days began January 14, 2009, and pursuant to K.S.A. 60-206 excluded holidays and weekends. No response has been filed by Respondent within the time prescribed.

The Court, having reviewed Petitioner's Affidavit finds that the fees, costs and expenses are reasonable and that they are related to this registration action in which the obligee, Kimbra Martin, has prevailed. The Court is awarding attorney fees, costs and expenses of \$3,641.35 as set forth in Petitioner's Affidavit.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that pursuant to K.S.A. 23-9,313(b), petitioner shall have judgment against respondent in the sum of \$3,641.35 for fees, costs and expenses incurred by petitioner to The Damore Law Firm, LLC through

January 13, 2009. Said judgment shall be subject to execution and shall bear interest at the effective judgment rate.

IT IS SO ORDERED.
