RE: Phillips v Phillips (Owen) 89-06890

Gentlemen:

I am in receipt of your most recent billing concerning child support payments in the above matter. As you are aware, neither the payor nor the recipient, of the support, resides in the state of Kansas. It appears that under KSA 60-308, jurisdiction over support payments no longer rest with Kansas. Because of my reading of the statute, I have paid Mrs. Owen directly her required support payments.

In the event you disagree with my reading of the jurisdiction statute, and its effect on your offices continuing role, please contact me. Otherwise, I will assume that you agree that direct payment to Mrs. Owen is appropriate under the circumstances.

Sincerely,

Daniel D. Phillips
