RE: CASE 89C6890

Dear Ms. Owen:

This office has received a letter from Dan Phillips which states that since both parties are out of Kansas, he is planning on paying you the support directly and have our office close our file.

If you are agreeable to this arrangement, this office will need a notarized statement which asks us to close our case.

If you wish for a case to remain open and be monitored by a child support enforcement office, you will need to contact your local social services office and enroll in the IV-D Program. This Program will allow your case to be opened in Washington.

Please inform this office as to what you wish to do with your case.

If you have further questions, feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "J.A. Dietz".
